

MEMORANDUM FOR: Mr. Casey

[redacted] telephoned, as he does periodically, to set an appointment with you. He said he will accommodate his travel to Washington to your schedule and that there is little change of his going on and making plans unless and until he talks w/you.

He is expecting a call from me = or he will call me I'm sure - the week of 15 April.

MEMORANDUM FOR: Mr. Casey

[redacted] will be in Washington and would like to see you either 22 or 23 May. He has called many times when you were in meetings or otherwise not available, and is most anxious to meet with you.

May I set up an appointment?  
[See Betty's note attached.]
